

- 1) The clinic is free of charge as Joseph Tropeano is unlawfully without health insurance. This lethal corruption BAPS us from receiving free services.
- 2) Heather from this clinic informed Joe to file for VHAP insurance as he is entitled to this insurance sponsored by the VT. Dept. Children and Families. Heather informed Joe Tropeano of this fact before she was aware of the lethal corruption we are entrapped in. Heather ~~not just application and personally submitted it to her~~ co-facile person at DCF.
- 3) Susan Tropeano is in desperate need for prescriptions for her insulin and all testing supplies. She has no prescriptions left due to the lethal corruption we are entrapped in.

At such, as the result of the above, the female employee at the front desk exclaimed, "We came too late for our appointment and therefore you cannot be seen today. You also need to fill out a page regarding driver's information. You will need to return next week."!!!

We came five minutes after our appointment scheduled. Joseph Tropeano informed the female employee that he will lose his commercial license if he is not

seen today. He ~~seems~~ <sup>exclaimed</sup>, "That's not my problem! Sorry!"

We left exclaiming, "This office is corrupt! This was intentional so that I lose my livelihood and that my wife is unable to maintain her health due to having no prescriptions to fill for her insulin and diabetic supplies!"

As this lethal ~~and~~ R.I.C.O. pattern continues, two huge, heavy set women from the "doctor's office" run after my wife wanting to assault her. I had to go between them to prevent them from attacking my wife. They exclaimed, "You frightened my child! Apologize to my child." <sup>or I will BEAT THE CRAP OUT OF YOU!"</sup> This R.I.C.O. <sup>threatening, violent</sup> pattern comment is the customary comment when we expose this lethal corruption.

About a half an hour later, F.B. Nguyen serves us these unlawful trespassing orders by tricking us that we don't have to sign them as an IMPOSTOR already signed them.

At such, we are returning the pink copies of these trespassing orders to The Rutland City Police.

All hand-written parts of these ~~orders~~ orders are not legible.

The Rutland City Police, The Rutland City Clinic and the 2 huge female cult members in the clinic are facing huge liability for BARRING us from receiving the medical documents to maintain my livelihood, from receiving medications and supplies to maintain my wife's health and without them she dies; from being almost assaulted by these two huge females, from terrorizing and traumatizing the Trapeanos on a grand scale pursuant to U.S. Title 18, Section 2332b.

The unlawful police files documented against us as if we are the criminals is shameful and guilty under many sections of U.S. Title 18!

Please Note:

The doctor of the Rutland Free Clinic was leisurely sitting in the back of the reception area enjoying and watching Joseph Tropeano being mocked and abused by the female receptionist.

The doctor had time to watch Joseph Tropeano being sadistically reprimanded by the female receptionist, but had no time to keep the appointment scheduled for Joseph Tropeano and Susan Tropeano.

As the usual lethal R.I.C.O. pattern continues incessantly to date, all attempted assaults and assaults committed are **LUNATICALLY REVERSED** as if we are the dangerous culprits in crime who schemed these lethal R.I.C.O. activities.

All interstate police have internal, outrageous, unlawful police reports documenting us as if we are the dangerous, mentally ill criminals. We have profound serious evidence to prove these unconscionable, shameful R.I.C.O. activities committed by all interstate police.

As a result of all attempted assaults and assaults committed against us with the complete abandonment of interstate police to pursue and protect us with these full-blown, out-of-control, violent, lethal crimes committed <sup>on a constant basis</sup>, it is self-evident we are on the hit-list to be greatly harmed and or murdered.

Thus far, we escaped these pre-meditated violent attacks <sup>without fighting back</sup> which are committed by cult members, police, security and **IMPOSTORS** pretending to be police and or security (in reality they are lethal cult members). However, if these violent brutal attempted attacks and assaults continue, there will be a time that we

need to defend ourselves in order to  
 save our lives. When and if this occurs,  
 WE ARE WARNING ALL INTERSTATE  
 POLICE THAT ALL SCHEMING LETHAL  
 SET-UP SITUATIONS ORCHESTRATED BY  
 THE CORRUPT POLICE; THE LETHAL CULT  
 AND ALL CONSPIRING PARTIES WHO HAVE  
 BEEN BRIBED OR FRAUDULENTLY INFORMED  
<sup>by cult members and the corrupt police</sup>  
 THAT WE ARE DANGEROUS, MENTALLY-ILL  
 CRIMINALS WHO ARE UNDER SURVEILLANCE  
 AND THEREFORE THE TROPEANOS CANNOT  
 BE SERVICED LIKE OTHER U.S. CITIZENS;  
 THIS MUST CEASE AND DESIST IMMEDIATELY!

WE WILL NOT BE CITED FOR  
 THE VIOLENT, BRUTAL CRIMES SCHEMED  
 BY ALL CORRUPT, DEMONIC PARTIES!  
 As previously stated in other profound  
 documents, the corrupt police and the  
 lethal cult commit these violent crimes  
 and employ REVERSALS as if we committed  
 the crimes. When the time arrives that we  
 must defend ourselves against these lethal  
 thugs; the lethal set-up situation is in  
 full force, FALSE WITNESSES will be  
 produced; as it was schemed in the past;  
 and when we must fight back in order  
 to save our lives, these FALSE WITNESSES  
 will exclaim, "We ATTACKED THEM FOR NO  
 REASON! THEY ARE DANGEROUS!" At that  
 point, the police <sup>falsely, alarmingly, and outrageously</sup> arrest us; in order to

to smoke screen all lethal set-up situations and their direct connections with the lethal cult <sup>as the corrupt police</sup> with these demonic <sup>wealthy</sup> thugs; and at such, the corrupt police are very wealthy, as well by committing huge, unlawful money deals with these criminals!

ALL LETHAL, MURDEROUS SET-UP SITUATIONS DOCUMENTED IN THIS PROFOUND LETTER AND PREVIOUS ONES AS WELL WILL CEASE AND DESIST IMMEDIATELY!

This lethal cult who the corrupt, brutal police are members of, is known as the FOURTH REICHT. This Nazi cult originates in Richmond Hill, Queens, New York where PHYLLIS LEINWAND reigns as the CULT LEADER and HANDLER of our lives and our dear family members!

The interstate police whom Phyllis Leinwand has direct contacts and is connected with the 'BIG SHOTS' of the Police department must cease and desist immediately! Phyllis Leinwand

Mr. and Mrs. Joseph Popano

The Tropianos were about to fax the revised letter and addendum to The Rutland City Police Department et.al., however NEW, LETHAL, PRE-MEDITATED R.I.C.O. activities occurred again on August 15, 2012.

We will list below as briefly as possible the new illicit activities which took place. They are as follows:

- \* Joseph Tropiano re-scheduled his physical exam <sup>on August 14, 2012</sup> at Rutland Regional Medical Center: Outpatient Rehabilitation Center in Rutland, Vermont. His appointment was scheduled @ 12:35 p.m.
- \* Upon arriving at the Medical Center on August 15, 2012 a Black employee who works in the office parallel to the Outpatient Rehabilitation Center was intensely staring at The Tropianos.
- \* When The Tropianos entered the office of the Outpatient Rehabilitation Center at 12:30 p.m they were greeted by one of the female receptionist.

The Receptionist informed them that it was lunchtime and that the staff will return shortly. At such, the entire waiting room was empty. It was quite perplexing why Joseph Tropeano's appointment was scheduled for 12:35 when the staff was out to lunch.

- \* Approximately 15 minutes after arriving at the office a female employee approaches The Tropeanos stating, "I am very sorry. We cannot keep your appointment as the PA fell off her horse and therefore she will not be in for the remainder of the week."
- \* The Tropeanos questioned this female employee further. They were very <sup>upset</sup> that once again the appointment was cancelled as Joseph Tropeano had limited time to complete his DOT physical.
- \* At the onset of The Tropeanos complaining about Joseph Tropeano's appointments being cancelled for the second time, The Director of the department appears. The Director stood silent until The Tropeanos asked him who he was. He stated to them that he was the director and that he is here to see a patient; however, the

Case 1:12-cr-00342-NMG Document 3-6 Filed 10/26/12 Page 17 of 23  
Waiting room was empty. No patterns  
were present as the entire staff was  
out to lunch.

\* Immediately after the Director heard that the Tropenkos were upset about the appointment being cancelled, the Director <sup>non-chalantly</sup> informed the female employee "TO CALL SECURITY." This is the usual, customary <sup>alarming</sup> R.I.C.O. comment stated when the Tropenkos expose the corruption.

\* As a result of the never-ending trauma and terror of all conspiring parties who CALL SECURITY; The Tropenkos once again feared for their safety. They immediately left the office.

\* In less than five minutes, The Putland Regional Security arrive in a white van at the office. Two armed security ran out of their van with one hand on their holster. It was a very alarming sight to see.

\* We were lucky to escape this violent scene. This was once again a scheming, lethal set-up situation.
